SMUD ARRA BUY AMERICAN COMPLIANCE CERTIFICATION

(to be completed and signed by Prime Contractor and submitted with the bid)

1. Identification of American-made Iron, Steel, and Manufactured Goods: Consistent with the terms of the Purchaser's bid solicitation and the provisions of ARRA Section 1605, the Bidder certifies that this bid reflects the Bidder's best, good faith effort to identify domestic sources of iron, steel, and manufactured goods for every product contained in the bid solicitation where such American-made products are available on the schedule and consistent with the deadlines prescribed in or required by the bid solicitation.

2. Verification of U.S. Production: The Bidder certifies that all iron, steel, and manufactured goods contained in the bid solicitation that are American-made have been so identified, and if this bid is accepted, the Bidder agrees that it will provide reasonable, sufficient, and timely verification to the Purchaser of the U.S. production of every product so identified upon the Purchaser's request. If awarded a contract, the Bidder further agrees to provide additional Buy American certifications as requested by Purchaser.

3. Documentation Regarding Non-American-made Iron, Steel, and Manufactured Goods: The Bidder certifies that for any iron, steel, or manufactured goods that are not American-made and are so identified in this bid, the Bidder has included in or attached to the bid one or both of the following, as applicable:

- a. Identification of and citation to a categorical waiver published by the U.S. Environmental Protection Agency in the Federal Register that is applicable to such iron, steel, or manufactured good, and an analysis that supports its applicability to the component or components.
- b. Verifiable documentation sufficient to the Purchaser, as required in the bid solicitation or otherwise, that the Bidder has sought to secure American made iron, steel, or manufactured goods but has determined that such products are not available on the schedule and consistent with the deadlines prescribed in the bid solicitation, with assurance adequate for the Bidder under the applicable conditions stated in the bid solicitation or otherwise.

4. Information and Detailed Justification Regarding Non- American-made Iron, Steel, or Manufactured Goods: The Bidder certifies that for any such products that are not so available, the Bidder has also provided in or attached to this bid information, including but not limited to the verifiable documentation and a full description of the bidder's effort to secure any such American-made products, that the Bidder believes are sufficient to provide and as far as possible constitute the detailed justification required for a waiver under section 1605 with respect to such product. The Bidder further agrees that, if this bid is accepted, it will assist the Purchaser in amending, supplementing, or further supporting such information as required by the Purchaser to request and, as applicable, implement the terms of a waiver with respect to any such product.
